My dear Kitta, (2)

Impossible. Your invitation is too late. I am going to Nagpur for an engagement on the 28th inst. the last day of the month. Two engagements follow in that place. Thereafter I am due in Jubbulpore and Amraoti. I can't possibly return to Madras on the 6th March.

I regret this exceedingly. It would have been a joy to me as well as pride to preside on the occasion.

My letter bearing a ten-rupee cheque crossed yours.

By an oversight, I failed to write to the Univ. Registrar in time. I am doing it to-day. I decline as I told you.

Yours affectionately
V S Srinivasan
